🌟 Live Character Performance

Depending on your character choice, your visit will include a themed performance tailored specifically to that character. Whether it's a sing-along, dance lesson, or combat class, this is always the highlight of our parties!

📖 Interactive Story Time

Our characters bring stories to life by reading from their themed storybook. They'll engage the children with fun questions and interactive moments throughout the tale.

🎉 Game Time

From freeze dance and Simon Says to hot potato and limbo, our characters bring everything needed to play age-appropriate party games. They even ask the birthday child which games they'd prefer!

📷 Photo Opportunities

Capture the magic with individual and group photos of your guests and the character. We recommend taking plenty of photos to preserve the memories!

🌟 Temporary Tattoos

Each guest can receive one temporary tattoo (up to 30 guests). Tattoos are applied with water and placed on the hand; each child picks their favorite design!

🎨 Simple Face Painting

While not professionally trained artists, our performers can offer simple cheek or hand designs like hearts, stars, flowers, snowflakes, or snakes.

👑 Royal Coronation (Add-On Option- \$20 per birthday child)

Perfect for our royal characters! Your birthday child will receive a keepsake metal tiara and enjoy a special crowning ceremony, complete with a royal script.

🎨 Autograph/Coloring Book (Add-On Option- \$20 per book)

A coloring book with autograph pages for each child to gather signatures from our princesses.
